District facility assessment moves into final stages, in-person feedback sessions slated for September 19-22

ELKO, NEV. September 1, 2022— Elko County School District is inviting the public to provide feedback on the condition and functionality of ECSD facilities.

MGT Consulting Group will be visiting communities across Elko County September 19-22 to gather input as it moves into the final stages of developing a facility assessment report for Elko County School District.

Sessions will be held in Carlin, Elko, Jackpot, Owyhee, Spring Creek, Wells and West Wendover.

These sessions are open to the public. Staff, parents, students, and community members who use ECSD facilities are all encouraged to attend.

Sept 19 – 4:30/5:30 PT/MT West Wendover Elementary School Library

Sept 20 – 4:30/5:30 PT/MT Jackpot High School Room 7

7:00/8:00 PT/MT Wells High School Auditorium

Sept 21 – 4:30/5:30 PT/MT Owyhee Combined School Music Room

7:00/8:00 PT/MT Elko High School Performing Arts Auditorium

Sept 22 – 5:30/6:30 PT/MT Carlin Combined School Gymnasium

7:30/8:30 PT/MT Spring Creek- Liberty Peak Elementary
Gymnasium

Public input and support are an important key to developing a facility assessment report that meets the priorities and needs of the community.

MGT held virtual community engagement sessions in July to explain the master facility planning process.

The final community engagement component of their methodology will present itself as a survey conducted online.

The consulting group expects to complete its report by November.
